The taxable NEH stipend for a three-week Summer Institute is \$2,850, intended to help defray costs of travel, lodging, meals, and books in connection with the Institute.

For our project, we have pre-arranged lodging for 22 nights at dorms on the campus of Adelphi University, in Garden City, Long Island, NY.

Participants will have lodging on a double basis in air-conditioned rooms with private bath (linens included), and laundry room on each floor, at a rate of \$65 per night for 22 nights, from June 9 through June 30, departure on July 1.

If, as a successful applicant, you opt to go with this lodging arrangement on a double-room basis we would then withhold \$1,430 from your stipend of \$2,850 and your cash balance stipend would be \$1,420.

Participants may, of course, opt to make their own housing arrangements off campus. Once successful applicants are notified of their acceptance on March 25, they must notify the project directors by April 8 whether they accept or decline the offer, and whether they opt for the campus lodging plan, or wish to make alternative housing arrangements.

Adelphi has several dining facilities; the main dining hall offers eat-what-you-wish meals at standard fixed rates for breakfast, lunch, and dinner. The campus also has a number of snack bars and food trucks.
